Sir:

In reply to the December 18, 2002, Office Action, please amend the above-identified application as follows:

IN THE CLAIMS:

Please replace claims 1, 2, 9, 10, 16, 17, 20-25, 27 and 29 as follows:

1. (Amended) A license-issuing method for issuing an electronic license for certifying that usage of digital contents is permitted to a specific user, the digital contents being provided by at least one of a provider and a seller, the method comprising:
- generating information for verification from a license-issuing center, the license-issuing center being independent from the at least one of the provider and the seller, the information for verification required to verify legitimacy of an electronic license;
- inputting information to specify the information for verification;
- generating the electronic license from the license-issuing center, the electronic license able to be verified by the information for verification specified by the input information to specify the information for verification; and
